Dear Nathaniel Story:

I write to respond to the public records request you submitted to the Executive Office of Energy and Environmental Affairs (EEA) which was received by this office on October 19, 2026.

You requested"

> Limit the search to emails containing the keyword "israel" or "isreal"
> Limit the search to emails dated February 4, 2025 to present (when this request is processed)."

On October 30, 2026, EEA sent you a letter stating that a fee was required to process your request. On October 30, you requested to narrow your request to only emails sent by Secretary Tepper. We have conducted a reasonable search for records sent by Secretary Tepper containing the keyword "israel" or "isreal" for February 4, 2025 to October 19, 2026.

After a reasonable search, I have identified records responsive to your request, which are included with this correspondence.

If you do not believe that EEA has responded to your request in accordance with the Public Records Law, you may appeal EEA's response to the Supervisor of Public Records within the Office of the Secretary of the Commonwealth. Any such appeal must be made in writing within ninety days and comply with the requirements of 950 CMR 32.08(1). (See M.G.L. c. 66, § 10A and 950 CMR 32.08 as to your appeal rights relative to EEA's denial of access to the exempt record.) You may also file a civil action in accordance with M.G.L. c. 66, § 10A.

Sincerely,

/s/ Katrina Chicojay Moore
