Thanks Jeevan!

Consul General, it would be great to connect. I know all the great work happening in Israel in the climatetech space and would be excited to talk with you about the work we are doing here in Massachusetts in the energy and environmental space. I am cc'ing my assistant Hayden who can help with logistics.

Best,
Rebecca

Dear Consul General Sharoni --- allow me to connect you with Secretary of Energy and Environmental Affairs Rebecca Tepper who is helping lead Massachusetts' clean energy transition. I thought it would be good for you both to connect.

Secretary Tepper --- Consul General Sharoni arrived in Boston about 6 months ago and has hit the ground running. He and I are working on several projects together and I thought it would be good for you to meet him.

Thank you both,
