Dear Nathaniel Story,

The City of Boston (City) has received your request for public records. This response applies only to records that exist and are in the custody of the City. See A Guide to the Massachusetts Public Records Law, p. 32, n.115. It is expected that a custodian of records must use her superior knowledge of her records with respect to responses to public records requests. 950 CMR 32.04(5). Specifically, you stated:

Hello, Pursuant to the Massachusetts Public Records Law, I hereby request the following records: All emails sent by boston.gov email addresses. Limit the search to emails where any of the following appear in either the To or CC fields: - israelbonds.com - gov.il (including subdomains e.g. boston.mfa.gov.il) Limit the search to emails dated from Jan 1, 2023 to present. Thank you, Nathan Story

The records responsive to this request are attached to this email. Please find them available below.

Request Number: R-2026-631

The records are redacted to omit identifying information, including personal email addresses, in accordance with exemption (c) of Massachusetts Public Records law. The public interest in disclosure of this information does not outweigh the privacy interest of the individual. G. L. c. 4, § 7 (26) (c).

Sincerely,
