Hello,

Pursuant to the Massachusetts Public Records Law, I hereby request the following records:

All conflict of interest law disclosures filed with the State Ethics Commission from 2025 to present.

I made a similar request in June of 2025 (attached for reference).

Really, I'm seeking any disclosures that have been filed with the commission since my previous request. If it's easier to send all the 2025 & 2026 disclosures over, I can do the deduplication myself. If it's easier to just send the new ones, that is also fine.

Thank you,
Nathan Story
