Hi Steve, we are starting to get some questions from press, including the two below from State House News. Is there someone on your team who I can connect with the reporter to address them?

Do you know where this facility will be located? And do you have any sense of how many startups/workers in Mass. will benefit from this accelerator?

All, it's a pleasure to meet you. Might I suggest we connect over a video call for an initial discussion?

If you are amenable, can you please send over a few days and times that can work for your team? I can then cross reference and send out an invitation.

Be well,

Dear Jeevan,

Thank you again for forwarding and connecting with the communications team. It's a pleasure for us to meet you all and thank you in advance for all the efforts you are putting into this gathering.

As mentioned below we noticed the agenda includes a "Ceremony" as part of the meeting with Governor Maura Healey (2:00–3:30 PM).

We would greatly appreciate it if you could kindly clarify a few details:

1. What is the nature of the ceremony, and are there any specific protocols/agenda we should be aware of?
2. Would it be appropriate for us to prepare a gift for the Governor or the Commonwealth?
3. Regarding the guest list - we don't yet have such a list but just wanted to know if it would be possible to invite a few guests from our side to attend the meeting or ceremony?
4. Lastly, could you please share the location once it is finalized?

Looking forward to your guidance so we can prepare accordingly.

Much appreciated and thank you in advance,

With Best Regards,

Rotem Appel

.Thanks again for your support and grad work in making this happen

Following the recent meeting with the Governor and the shared interest in a joint announcement, as well as Dr. Zimlichman's update regarding a potential visit by Professor Yitshak Kreiss, CEO of Sheba, to Boston in this regard — we would like to propose May 5–7, 2025, as the most convenient dates for such a visit

We hope these dates might also work for the Governor, and we look forward to coordinating further with your team to make this visit a success

.Looking forward to your response

,Best regards
