Hi Jonathan / Luis – do you happen to have the details for each new 2/2 bond purchase? We'd like to get these new securities setup in our systems.

On a side note, we've instructed our custodian for the two new \$5M wire payments for 2/2/26. Can you also confirm bank account details (last 6 digits will suffice) for the two maturity payments.

Thanks

Hope all is well. PRIM has two bonds maturing on 2/1/2026, we'd like to re-up on 2/1/2026 with \$5M each with similar terms if available.

Thanks,
Matt

Hi Jonathan / Luis – do you happen to have the details for each new 2/2 bond purchase? We'd like to get these new securities setup in our systems.

On a side note, we've instructed our custodian for the two new \$5M wire payments for 2/2/26. Can you also confirm bank account details (last 6 digits will suffice) for the two maturity payments.

Thanks

Hi Jonathan – would you be able to provide additional payment instruction digits, as the last four digits ██████████ are not unique and is the ending suffix for most of our accounts. We want to ensure these are set up to the proper account
