RE: Public Records Request

Dear Mr. Story,

This correspondence is in response to your public records request made to Massachusetts Technology Collaborative on July 9, 2025, for the following:

... all emails sent to or received by MassTech email addresses. Limit the search to emails sent between 1/1/2025 and the present date (where the present date is the date this request is fulfilled). Limit the search to emails containing the keyword "Sheba".

To find records potentially responsive to your request, we searched all MassTech email accounts for any emails containing the term "Sheba" during the time period covered by your request. We then reviewed all the emails that were returned by the electronic search to determine if they are responsive to your requests, which we interpreted as emails that included the aforementioned search term in the subject line or body of the email sent or received at a MassTech email address. We did not interpret the request to include emails to and from or referring to individuals with the name "Sheba".

The emails, including one attachment saved separately as a PPT and one email account I had to save as .msg, can be accessed here:

If you wish to challenge this response, you may appeal to the Supervisor of Public Records following the procedure set forth in 950 CMR 32.08, a copy of which can be found at: <https://www.mass.gov/regulations/950-CMR-3200-public-records-access>. You may also file a civil action in accordance with M.G.L. c. 66, § 10A.

Sincerely,

A handwritten signature in black ink, appearing to be "JS", written over a horizontal line.
