Subject: Lowell Celebrated at the United Nations in Geneva as the First U.S. "Frontrunner City" on Urban Transformation
Date: Thursday, October 9, 2025 1:57:00 PM
Attachments: [Lowell UN Geneva PressRelease 091025.pdf](#)

Dear Members of the Massachusetts Consular Corps,

On behalf of Lowell City Manager Thomas A. Golden, Jr. and the City of Lowell, I am attaching this press release announcing that the City of Lowell is the first U.S. city designated a "Frontrunner City" under the United Nations (UN) Global Frontrunner Cities Initiative, led by the Urban Economy Forum (UEF), in partnership with the UN-University, Institute for Water, Environment and Health (UNU-INWEH), and the World Urban Pavilion (WUP) powered by Daniels.

This recognition positions Lowell as a leader in sustainable and innovation-driven urban transformation in the region and throughout the Commonwealth of Massachusetts. Under Governor Healey's Administration, the Commonwealth remains a hub for innovative and sustainable practices, with Lt. Governor Driscoll commenting that Lowell's leadership "will shape a sustainable Commonwealth and a stronger nation."

Please feel free to share this outstanding achievement with your respective news agencies and interested parties.

If you have any questions or would like to learn more on the award, feel free to contact Doreen Burgess, Assistant to the City Manager, at DBurgess@lowellma.gov.

Best wishes,
