■ Raytheon Site Visit

Tue 2/10/2026 9:00 AM - 10:00 AM

Location: Raytheon, Andover

Hi Zenobia,

Just looping you in to see how you want to handle. I checked in with Ben about upcoming SHIELD opportunities and Naomi has already pledged herself and Whitney from EOED (not sure who that is) to attend the session on the 22nd.

It would be great to have Sec. Paley attend 1 of the Prime site visits. We are working through details for these in the coming weeks, but here are the current working dates:

General Dynamics (Pittsfield) - Jan. 20 (times TBD)

Raytheon (Andover) - Feb. 10 (9am-12pm)

BAE Systems - meeting with BAE on 1/6 to discuss and select date

GE Aerospace (Lynn) - waiting on response

Raytheon would be our top choice. They are the largest defense sector employer in MA at 12,000 employees, they have been a great NEMC partner, and we still have the contingent CHIPS MFG commitment with them.

We are planning on a 2nd SHIELD day to be on Feb. 11 at WPI. So there is another option for in-person engagement.

The other thing we can do for Jan. 22 is see if anyone in the administration wanted to provide any recorded remarks that we could play at the beginning.

How should we be handling this for your office? Event requests?

Let me know! Thanks.

Carolyn
