RE: Public records request: Wetzel/Israel emails

Dear Mr. Story,

This correspondence is in response to your public records request made to Massachusetts Technology Collaborative on Friday, July 31, 2026, for the following:

Emails sent or received by John Wetzel wetzel@masstech.org
Limit the search to emails containing the keyword "israel" or "israeli"
Limit the search to emails dated May 1, 2026 to present
Please include any attachments to matched emails.

To find records potentially responsive to your request, we searched John Wetzel's email account for any emails containing the words "Israel" or "Israeli" during the time period covered by your request. We then reviewed all the emails that were returned by the electronic search to determine if they are responsive to your request, which we interpreted to be for emails that included the aforementioned search terms in the heading or body of the email, and excluded emails where the only reference to "Israel" was an individual's first name.

The responsive documents are available here: [N Story PRR - Wetzel Emails Responsive Docs](#)

MassTech now considers this public records request closed. If you wish to challenge this response, you may appeal to the Supervisor of Public Records following the procedure set forth in 950 CMR 32.08, a copy of which can be found at: <https://www.mass.gov/regulations/950-CMR-3200-public-records-access>. You may also file a civil action in accordance with M.G.L. c. 66, § 10A.

Sincerely,

A handwritten signature in black ink, appearing to read "JMS", is written over a horizontal line.
